Cadie Cleaning And Polishing Cloths & Mitts

"The Secret Is In The Cloth"

Each special cotton cloth is treated with special chemicals (except the Eyeglass Cloth, Shammy Cloth, and the Micro-Fiber Cloth) and does away with messy liquids, powders, and pastes. Reduces cleaning and polishing to just a wipe.

S716 SILVER CLOTH (Jewelry Cloth) – Great for gold and silver. Polishes as it cleans. Chamois color only. (7" x 16")

R711 ANTI-STATIC CLOTH – Stops dust build-up from static on computers, televisions and VCRs. Blue color only. (7" x 11")

FG716 ANTI-FOG CLOTH – Prevents misting & fogging of windshields, mirrors and windows. Blue color only. (7" x 16")

DC716 DUST CLOTH – Specially treated lemon scented cotton cloth. A quick once-over cleans, polishes and protects furniture. Yellow color only. (7" x 16")

W716 WINDOW CLEANING CLOTH – Cleans & shines windows instantly without water or chemicals. Reusable & long lasting. Pink color only. (7" x 16")

J68 JEWELER'S ROUGE CLOTH – Used by jewelers across the USA. Brings out the brilliance of gold & silver. 2 cloths sewn together. Maroon cloth cleans, chamois color polishes. Reusable & long lasting. (6" x 8")

NF68 ANTI-FOG MITT – Prevents misting of windows, mirrors, windshields and showcases. Great safety program item. Reusable & long lasting. Blue color with neon pink border only. (6" x 8")

A1721 (Large) AUTO POLISHING CLOTH – Cleans and shines cars like new in minutes. Lengthens time needed between car washes. Reusable & long lasting. Gray color only. (17" x 21")

A716 (Small) AUTO POLISHING CLOTH – Cleans and shines cars like new in minutes. Reusable & long lasting. Gray color only. (7" x 16")
